Revision Guides

Dear Families

We have recently received a sample of very useful revision guides for the Literature texts that Year 11 English classes are studying.

They contain banks of quotations with analysis of key quotations.

Students need to memorise quotations for their Literature exams and are required to analyse them.

If you would like to purchase any of the texts, the link to the website is below.

The same guides are also available on Amazon. Unfortunately we will not be taking orders for the school on this occasion.

Yours faithfully

Sam Knight
Deputy Head of English (Key Stage 4)
