### **New Head of Year 8**

Dear Families

Mr Tandy, who was previously Head of Year 11, will be the new Head of Year 8. Mrs Powling is now moving into a new role as Head of Year 7/Year 6 Transition. Mrs Powling will stay as Head of Year 7 to oversee the transition process as she has a lot of experience in this area.

I would like to take this opportunity to thank Mrs Powling for all her hard work with the current Year 8 as they are an excellent year group and embrace all aspects of school life. I know they will be in good hands with Mr Tandy.

Thank you for your ongoing support.

Yours faithfully

Janet Livesey  
Assistant Headteacher KS3
