Year 10 Careers Day and The Orleans Park Careers Programme

Dear Families

I am delighted to share with you the new [Orleans Park Careers Strategy](#), which we have been implementing across the school, and will look to imbed further going forward.

With this in mind, on Wednesday 12 July, our Year 10 students will attend the annual Orleans Park Careers Day. Last year was a great success, with a number of different professionals from a range of industries delivering careers talks to our Year 10 students (please find a brochure of last year's speakers [attached](#)).

In order to give students a broad range of speakers this year, I would like to extend the opportunity to any parents that would like to talk about their careers (and deliver a presentation) at this year's Year 10 Careers Day. This will take place on Wednesday 12 July. If you work in a particularly interesting (or obscure!) industry, and would like to help out on this exciting careers day, please contact me via ldodge@orleanspark.school.

Please be aware that if we can not accommodate you on our Year 10 Careers Day, I would welcome the opportunity to speak to you about delivering a one off careers talk to our students, as part of the whole school careers programme.

If you have any questions about the Orleans Park Careers Programme, or would like to contribute to our Year 10 Careers Day then please do not hesitate to contact me.

Yours faithfully

Mr L Dodge
Assistant Headteacher - KS4
Careers Lead
