

1 March 2023

Dear Families

I wanted to make you aware of various events coming up this term related to the student's next steps and career plans. This term we want students to really focus on their plans after Sixth Form. In the summer term they will begin their applications for university and start drafting personal statements.

Firstly, there are various events taking place in school, week beginning 6 March, as part of National Careers Week. Please see a [letter](#) sent by Mr Dodge for full details.

In addition, on Tuesday 21 March, the Year 12 Careers Conference will be taking place. Year 12 students will be attending various talks from a range of professionals who are coming into school on this day. The day will run to the normal school timings but students will be off timetable for the day.

Finally, we would like to remind you we have a parent information evening on Thursday 23 March in the Attenborough Hall at 6pm. This will cover applying to university via UCAS, student finance and apprenticeships. If you are unable to attend a copy of the slides will be available on the school website.

Yours faithfully

Mrs J Hafenrichter
Head of Year 12
